COMPANY PROFILE

**PARTNERSHIP REFERENCE LETTER****Date:** 25th June 2026**To Whom It May Concern**

MTN South Sudan is pleased to issue this reference letter in confirmation of our partnership with **Rukia Technology**, which has been duly appointed as an **Enterprise Business Unit (EBU) Reseller Partner**.

As a leading telecommunications and digital services provider, MTN South Sudan is committed to enabling digital transformation across the country through innovative connectivity, enterprise, and ICT solutions. In line with this strategic objective, we engage and collaborate with qualified partners to extend our reach and deliver value to businesses, government institutions, and development organizations.

Under this partnership, **Rukia Technology is authorized to market, promote, and sell MTN South Sudan Business products and services** through its business outlets and field sales agents within the South Sudan market. These services include, but are not limited to:

- Mobile voice, data, and SMS solutions
- Fixed connectivity services (internet, data, and voice)
- ICT and digital solutions
- Enterprise telephony services
- Cloud and managed services

Rukia Technology has demonstrated the technical capability, market presence, and operational capacity required to effectively represent MTN South Sudan in delivering these solutions to enterprise and institutional customers.

This letter serves as **formal validation of Rukia Technology's status as an MTN South Sudan authorized reseller partner** and confirms that customers may engage them for the provisioning and facilitation of MTN Business services.

Kindly note that this letter does not constitute a contractual agreement but is issued solely to confirm the existence of the partnership.

Should you require any further information or clarification, please do not hesitate to contact us.

Yours faithfully,

Timindi Grace
